

Precision Rifle Courses

Students enrolled in the Precision Rifle Course should come attired and equipped as they would if deployed as a Precision Marksman / Observer on a Tactical Response. All Team / Department standard equipment to include ballistic protection.

It is recommended to bring items suited for seasonal or inclement weather.

Precision Rifle I

- Tactical Uniform
- Body Armor - Tactical Loadout
- Team Organic Precision Rifle Weapon System Equipped with Telescopic Sight.
- Telescopic Sight must have Data Reticle (Mil Dot, HORUS, TMR, TRMR, etc.)
- Spotting Scope with Tripod
- Binoculars
- Calculator
- Ballistic Calculator
- Scope Levels
- Torque Wrench (Inch/Lb. for Scope Mounting Fasteners)
- Shooting Stick
- Sand Sock

Optional Equipment

- Tri Pod with Clamping Mechanism (Hog Saddle or Equivalent)
- Atmospheric Data Device (Kestrel or Equivalent)
- Shooting Mat
- Quarter Back Arm Sleeve

Ammunition

- 400 Rounds - Match Grade Ammunition (Same Lot Number Preferred)

- Atmospheric Data Device (Kestrel or Equivalent)

- Shooting Mat
- Quarter Back Arm Sleeve

Ammunition

- 400 Rounds – Match Grade Ammunition (Same Lot Number Preferred)
- 100 Rounds – Barrier Penetrator Ammunition (Optional)

Notes:

- We recommend a Quarter Back Arm Sleeve. It is a sleeve that slips over the forearm featuring a flap that flips up with at least one compartment with a viewing window. This is available at most sporting goods stores, or online. Cost is around \$20.00. Students will utilize this for Quick Access for D.O.P.E. Cards that they will create in class.
- We recommend purchasing the Applied Ballistics APP. This is available on app stores for mobile devices. This is a very comprehensive software program for maintaining and accessing data for precision shooting. Cost is \$29.99 one-time purchase.

**Norse does not sell this app and is in no way affiliated with the developer or sellers. We utilize and recommend the software in our precision rifle programs.*

****Please contact us prior to enrollment if you do not have the listed equipment. We cannot guarantee it but we will attempt to assist in finding a solution or recommending a product.*
