

S.W.A.T. Courses

Students should attend the course wearing the uniform along with the equipment and weapon systems that they would if called out for a tactical response. All department standard or mandated equipment to include ballistic protection. It is preferred for students to use the same Mechanical Breaching tools that their individual unit employs. If students are unable to bring team organic breaching tools, Norse will provide tools to utilize during the course.

It is recommended to bring items suited for seasonal or inclement weather.

Live Ammunition - Per Student Per Course Level

Primary Weapon System - 500 Rounds (Department Approved Training Ammunition)

Secondary Weapon System - 500 Rounds (Department Approved Training Ammunition)

Three (3) Magazines for each Weapon System (Minimum)
